# Why Worry?

VICTROLA

And never a frown will be in evidence while it is

make the hair brittle and hard. It is better to use plain canthrox for shampeoing purposes. Simply dissolve a reaspoonful of canthrox in a supful of hot water and stir well until it is all dissolved; then take your shampeo by pouring the maxime on the hair and rubbling in well. It will cleanse the scale thought the shampeous and smooth, put it tonspoonfuls of systemics and to unces of spurmax in the play Mr. McNary, for the faculty of the pla

spoon find the result in the result in the second second and keep your him soft and furify.

Margie: Indeed, I am always glad to repeat a recipe. The wrinkle-remover formula which your friend says she read in these columns and found absolute in its action is easily and cheaply made at home by mixing one ounce of almostic with one-half plut cold water and adding two teaspoonfuls and off second part of the skin and does not rub off. Several of my friends have the and adding two teaspoonfuls and off skin. It is much less expendingly. To remove or prevent winkles apply this vegetable cream-jelly thickly and leave over night, then washeff and with more of the cream massage thoroughly. I have never found anything to equal almozoin jelly-cream looks. Probably your wrinkles dispute the promote the growth of hair. You will also notice by its use not only your wrinkles dispute the skin very soft and velvety.

Mrs. L. E.: No doubt glasses spoil your looks. Probably you would have

Next Time You Make Waffles,

Do This -serve them with Velva Syrup with the RED LABEL, and know syrup as you've never known it before. Velva is made

puts new go in griddle cakes, makes muffins taste like more and places a plate

of biscuits into a little world of its own. Good? Yes, ma'am, great - and its

use brings the high cost of living down. Goes twice as far as butter on bread, and

costs only a fourth as much. Never was, and never will be, any syrup as good as

for table use, for making cakes, candies and other goodies. It

thesyrup with the REDLABEL; and you'll keep on

using itafter you bay your first package. Try Velva

next time you make candy. It makes great fudge,

too, and you'll notice the difference in the first

batch. Your grocer has Velva in the green can, too, if you like. Velva is ten cents up, according

to size—and you never bought its equal. Send for
